## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The wooden bridge on the road into Songo Pond has been replaced with a culvert four feet in diameter. As the culvert came above the level of the road, the road has been raised by applying several inches of gravel. The wooden bridge was considerably deteriorated and a hazard to heavy vehicles.

A culvert of the same diameter has also been installed on the Grover Hill Road, replacing a small wooden bridge.

The first carload of salt has arrived and is stored in the town shed. The greater part of this carload will be used in stockpiling winter sand.

Excise tax books and drivers' license forms for 1960 were received from the office of the Secretary of State this week. Anyone desiring to obtain their 1960 registration at an early date may now do so by first paying the excise tax. The same number plates will be used in 1960.

Sincerely,  
Harold L. Bean

## PORTLAND SCOUTS ENJOY WEEK END OUTING

Eighteen of twenty-eight members of Troop 62, Portland, camped out during the week end on Ernest Mundt's place at the four corners on the Grover Hill road with their leaders, T. E. Potter and R. A. Barnard.

Scouts attending were: Bill Combs, Steve Potter, Dana Farley, Julian Orr, Jr., Douglas Thompson, Norman Russell, Stephen McPhee, Stephen Romanson, Lester Berry, Jr., Philip McElhill, Jr., Jimmy McElhill, Leo Surprize, Steve Surprize, Robert Miller, Christian Bark, James Hersey, John Goodwin, Donald Day, and one guest, Charles Scribner.

## NEW FEDERAL GAS TAX INCREASE JUMPS STATEWIDE RATE TO 55¢

With the \$641 million a year increase in the federal gasoline tax that went into effect on Thursday (Oct. 1), Maine car owners will be paying 55 cents in tax on every dollar's worth of gasoline they buy.

This was brought out by Leroy T. Snowdon, Executive Secretary of the Maine Petroleum Association, who noted that the new 4-cent federal tax added to Maine's 7-cent state tax rate adds up to \$1.10 in taxes on every ten-gallon purchase, which he said is equivalent to a 55 percent "sales tax" on gasoline.

Snowdon asserted that the so-called "penny increase" will raise the average tax on gasoline in this state to 58¢ a year per vehicle. Total motor fuel collections in the state will climb to an estimated \$34 million a year, of which \$12.3 million will go to the federal government.

"The constantly mounting tax burden on gasoline tends to obscure the fact that this is one product on which the national average consumer price has advanced no more than 6 percent over the last ten years, although official indexes show that retail prices generally have gone up to 21 percent," Snowdon said.

"The only real inflation with regard to motor fuel costs has been the 55 percent increase in average gasoline tax rate that has taken place nationally since 1945."

Following is the history of statewide increases of the tax here since Maine's first gasoline tax was imposed in 1921 at the original 1-cent rate:

1921—State gasoline tax first imposed at 1¢ a gallon  
1925—State tax increased to 2¢ a gallon  
1927—State tax increased to 4¢ a gallon  
1932—Federal tax imposed at 1¢ rate; total 5¢ a gallon  
1933—Federal tax increased to 1.5¢ rate; total 5.5¢ a gallon  
1934—Federal tax reduced to 1¢; total, 5¢ a gallon  
1940—Federal tax increased again to 1.5¢; total 5.5¢ a gallon  
1947—State tax increased to 6¢; total, 7.5¢ a gallon  
1951—Federal tax increased to 2¢; total, 8¢ a gallon  
1955—State tax increased to 7¢; total, 9¢ a gallon  
1956—Federal tax increased to 3¢; total, 10¢ a gallon  
1959—Federal tax increased to 4¢; total, 11¢ a gallon.

## Farm Census Takers to Start Work in County Oct. 21

The 1959 Farm Census will start on October 21st throughout the Nation, or as near that date as possible in all areas.

In Maine census takers will start on October 21st to contact farmers for information for the 1959 Census of Agriculture. The Bureau of Census asks that all Maine farmers and agricultural agencies cooperate. Each farmer will receive a copy of the questionnaire about one week before the census-taking starts. A letter accompanying this form will ask the farmer to fill out the questionnaire and give it to the census enumerator when he calls.

When the census taker visits the farmer he will check the questionnaire to be sure it has been completely filled out, answer any questions regarding it, and inform the farmer that information furnished therein will be kept strictly confidential. It is not to be used for tax purposes in any way, but merely to obtain totals for counties and states, which statistics can be of great value to extension services, experiment stations, and all agricultural agencies working with farmers.

Maine farmers have always fully cooperated with this census—the last one being in 1954—and we know that they will come through again in helping to gather this vital information needed to make the 1959 count complete and accurate.

In Oxford County, the Crew Leader appointed for this census is Mrs. Edith J. Strout, 43 Pleasant Street, Norway, Maine, who has just completed the five-day training course in Bangor. For information regarding selection of Enumerators, you may contact her at the above address.

## BURGLARS TAKE SMALL SUMS AND NOVELTIES IN W. BETHEL BREAKS

Breaks were discovered Wednesday morning in the Abbott Garage, the L. & F. General Store of Louis Paul, and the souvenir shop of Mrs. Helen Fuller at West Bethel. Small amounts of money were taken from the garage and Paul store, and novelties valued at \$100 were missing from the Fuller shop. Local, county and state authorities are investigating.

## SCOUTS PLAN DRIVE FOR OCTOBER 20th

Boy Scout Finance Drives will be conducted in nearly all non-Chest and United Fund towns in the 10 southwestern counties of Maine on October 20th. Funds collected in the drive will go to support the goods and services provided to Scouting in that area by the Pine Tree Council. This Council is responsible for serving more than 4,200 volunteers.

Because a major tool of Scouting is camping and outdoor living, the Council provides, maintains and operates not only adequate facilities at summer camps, but also develops a high degree of specialized training in the use of all professional Scouters work Scouting's campcraft. Trained with more than 4,200 volunteers in carrying the responsibility of Scouting.

The Pine Tree Council serving this area has a budget for 1960 of \$114,655. Heading up the campaign in the Pine Tree Council is Frederick A. Clough, Jr., of Bethel.

In Bethel the canvassing for special gifts is already underway, and the general canvass will be completed by Oct. 20.

## NEED DEN MOTHERS FOR BETHEL CUB SCOUT WORK

There is an urgent need for additional den mothers for Cub Scouts. As the situation stands at the present time, there is a definite shortage of leaders and at least 10 boys of past membership plus several more whose applications are not yet in will be deprived of the benefits of Cub Scouting unless more mothers volunteer leadership. If there are those available who do not have ample space at home for den meetings an attempt will be made to provide facilities. Please contact Mrs. Murray Thurston if interested.

## OCTOBER IS AUTOMOBILE INSPECTION MONTH

"Sometime during the month of October, car owners must have their vehicles checked at an official inspection station," Secretary of State Harold I. Goss has reminded Maine motorists.

Pointing out that the semi-annual inspection is a legal requirement, he urged each motorist to make certain that he gets his inspection sticker before the end of the month.

"The wise car owner will plan to take care of this obligation early in the month," continued Mr. Goss "putting" off until the latter part of the month makes it necessary to wait one's turn in a long line of drivers. Save yourself this inconvenience by having the inspection taken care of early in the month."

Mr. and Mrs. Jesse Doyen of Portland and Wesley Wheeler visited Mr. and Mrs. Marsden York in Plainfield, Vt., recently.

## Voters to Decide on Five Bond Issues in Referendum Monday

Interest in the special election to be held next Monday seems to center on Questions 3 and 4 which involve education. Actively supported by some 19 organizations, several of which are not engaged in educational lines, it is expected that these questions will be passed.

The referendum questions will be found elsewhere in this issue of the Citizen in the specimen ballot and warrant for special election.

Question 3 is to provide a self-liquidating bond issue to finance new living quarters for students and some faculty members at the University of Maine. This is to be without cost to the taxpayers, since the bonds will be paid off from rental fees collected from those occupying these accommodations.

Question 4 covers a general bond issue which includes: science and home economics building at Farmington State Teachers College, women's dormitory at Fort Kent Normal School, library and classroom building at Gorham State Teachers College, and College of Education building and renovation of others at the University of Maine.

Question 5 seeks to authorize ferry service to Long Island Plantation. It seems that service to this island was not included when the ferry bill of 1957 provided service to Swan's Island three miles away.

Question 1 is to decide on a \$3,900,000 bond issue for a bridge at Belfast. Question 2 deals with a State highway bond issue of \$13,000,000.

## G. O. P. FUND RAISING DRIVE

During the month of October the Oxford County Republican Committee will launch a County wide Fund raising drive. Henry Hastings is Oxford County Chairman. This drive covers the Oxford County financial commitment to the State Committee and also the County requirement. Bethel's quota is \$291.00. The Town of Bethel's drive is under the direction of Chairman, Leland Brown, Vice Chairman, Mrs. Arthur Lincoln, with the following co-workers: Mrs. Erlon Paine, Mrs. Clayton Bane, Burton Newton and Arthur Guernsey.

## GOLDEN NOTES CLUB

The Golden Notes Club held their first meeting this fall on Oct. 2 at the home of Mrs. Albert Bean. Officers for the coming year are President, Louann Brown, Vice President, Ethel Kimball; Secretary, Donna Day; Treasurer, Gertrude Waldron; Reporter, Barbara Jean Hutchinson.

The class was divided into two groups, Red Stars and Green Stars.

**new and different things**IN THE **1960 Chevy!****!new!****easy loading luggage compartment**

New convenience has been built into Chevy's big, vacation-sized luggage compartment by lowering the loading height.

**NEW****spaciousness inside**

Inside you'll find room and more room. There's room to sprawl in, room to sit tall in—and the roofline has a respect for hats. A new flatter transmission tunnel is a boon to the middle man. Here is the kind of space that invites the family.

**THRIFTIER****!!!new!!!****V8 POWER**

Under the hood thrift is accentuated in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6—the engine that starts saving the moment you flip the ignition switch.

**NEW QUIET AND COMFORT**

Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other suspension system can. Oil hushed hydraulic

valve lifters reduce engine noise to a whisper.

**!NEW!****refinements for the driver**

Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

## GOULD ACADEMY

Camera Club Parents' Day at the Academy falls on Saturday, Oct. 10th. For that day, Sunday, and the week to follow, the Camera Club will have about a hundred prints, done by Camera Club members, on display in a special exhibit room in Holden Hall, South Paris Meets Gould.

## On Parents' Day

South Paris High, the toughest team to beat in the Western Maine Conference, will be Gould Academy's guests on the Academy's annual Parents' Day. Coach Scott's charges have been playing better ball than was anticipated earlier in the season, and the home team is hopeful of putting up a good battle. The visitors, however, have a powerful, well-drilled club and are favored to win. Harriers to Portland Tuesday.

Gould Academy's State co-champions will travel to Portland, Tuesday, October 13th, to meet the cross country runners of Portland High. The Huskies opened their season with a victory over Fryburg Academy and are hopeful of another successful season.

## Gould Victor over Bridgton

Gould Academy won its second game of the season at Bridgton High last Saturday. They now have a league record of 2 wins and no setbacks, and have yet to be scored on.

The Huskies failed to score in the first half, although Doug Rice did cross the goal line only to have the TD nullified by a clipping penalty.

Gould scored early in the third period when Guy Burnham, on an off-tackle play, scored from 5 yards out. The extra point attempt was unsuccessful.

In the final quarter, Gould made a sustained march of 40 yards for their second score. Pete Swallow set up the TD with a 25 yard dash that put the ball on the 3 yard line. Nelson Smith scored on the next play and Doug Rice went through center for the extra point, making the score 13-0.

The running of Pete Swallow and the all-around fine play of Doug Rice, Steve Watson, and Ben White helped the "Blue and Gold" turn in their second victory.

Bridgton's outstanding defensive man was Newman Blanchard, who was playing his first game of varsity ball. Bridgton's quarterback, Ray Austin, was injured in the early part of the game when he tripped over the "Black Hawks" considerably.

## Sophomore Class Nominees

The following members of the sophomore class at Gould Academy have been nominated for class officers. The voting will take place in the near future: President — Steve Saunders, Dave Hawkes, Nancy Cole, Margie Hollinger; Vice-President — Dave Avery, Dwight Lord, Claudia DeMonte, Betty Vinton; Secretary — Sharon York, Bonnie Eames, Evelyn Sprague; Peter Davis; Treasurer — Dick Angove, Bill Stowell; Peg Davis, Mark Bennett. The class ring committee has already been appointed. The members are: Claudia DeMonte, Richard Angove, Jim Watson, Dave Hawkes, Madam Ward, Nancy Cole, and Gary Hill, chairman.

## Thineads Win Opener

The Gould Academy Cross Country team defeated Fryburg Academy last Friday by a 29-0 score. Dan Angove finished ahead of the field in 11 min. 24 sec. Ed Herlihy was second. Fred Lincoln fourth, Rob Allen sixth and Paul Colwell seventh for the first five. Others for Gould: Fryburg's leading five finished third, fifth, eighth, eleventh, and twelfth. A Hotchkiss was the third place runner for Fryburg.

## BETHEL SCHOOL NEWS

Grade Five Mrs. Hastings We are studying Columbus and how he discovered America. Also we are studying nouns. We brought some pictures to school from which we made posters, and then we wrote the nouns which we saw in the pictures. We are having a day off this week because of the Teachers County Convention. Our class goes to the Bethel Library each Thursday afternoon at two o'clock.—Reporter, Steven Hale.

## Grade 4—

Miss Ballard, Mrs. Ring We enjoyed our first movie "Moose Baby" yesterday. In Language we are practicing copying poems.—Miss O'Connor came on Monday. She will send our ranks soon. We find we need much practice in addition and subtraction facts. We are looking forward to a day off on Friday as school will close for the County Convention at Rumford.

## Grade 6—Mrs. Doris Lord

We are proud of our notebooks on "Leaves."—On account of the County Convention in Rumford the Maine Notebooks will be passed in on Monday instead of Friday.—By the way we are having a vacation on Friday, Oct. 9. Isn't that grand?

## Grade 7—Mrs. Gunther

We are studying about six different kinds of machines in science.—The stuffed dog that the 7th graders won last year in the magazine campaign is being given to the Hospital Fair.—Reporter, Donna Daye.

## Grade 8—

Mr. Heino, Mrs. Lurvey Mrs. Lurvey's room is having a contest in Arithmetic. The captains are Richard Jacobs and Corey Brown. We are studying hard at the Metric System. Mrs. Lurvey is teaching us the Genders in English. She also showed us slides on Disneyland and horses from the Blue Grass country of Kentucky in Literature class.—Mr. Heino's room is completing the Metric System. In our room we are also studying the Genders. In Literature we are reading a novel by Charles Dickens.—The fourth class meeting was held and we chose our class colors which are blue and white.—Norma Sloan and Carol Flint, Reporters.

In Hancosm Hall, The Miracle of Color Television, will be presented by Kenneth A. Wheeler, formerly supervisor of production for WJAC and the Yankee network in Boston. He has been associated with WJAC-TV in Providence, R. I., for 3 years. Some of the items of interest to be discussed are: the fascinating "split screen," the "8th" wonder of the world, the "colorvision" camera, the magic of magnetic tape, the amazing "color tube," and the colossal "numbers" game.

The next program will come on October 12th at 11:15 a. m. in Hancosm Hall. This will be an illustrated lecture by Robert T. Edgar on the conquest of space and the search for other worlds. Born in Scotland and educated in Australia, Mr. Edgar is now an American citizen living in California. Because his father invented important parts of the great Hale telescope on Mt. Palomar, Mr. Edgar had access to the laboratories and built up a unique background of experience for his field of science interpretation.

## Chapman Club Members

The following students have been chosen as new members for the Chapman Club, a musical organization at Gould: Marjorie Brown, Bethel; Debbie Hammond, North Edgecomb; Kathy Towne, Kennebunk; Stephen Deck, Bethel; Betty Phipps, Moriden, Conn.; Mary Ann Royal, Rumford; and Elizabeth Waldron, Bethel.

"spiny-rayed" refers mainly to the dorsal fin—the fin on the fish's back—although some species are prohibited for use as bait have spines on other parts of their bodies also. Dorsal fin spines may be one in number or more than one and are usually sharp enough to "stick" the careless handler of the fish.

Common bait fish which may still be used where live bait is permitted include mummichogs, shiners, "ten-codes," smelts, dace and suckers. There are others without spiny fins, but these are the kinds most commonly used.

Rated for use as bait, either dead or alive, are the following fish with spiny fins: yellow perch, white perch, bass, sculpin, crappie, herring, and carp. Also banned are goldfish and bluegills.

## FROM OUR FILES

## 10 YEARS AGO

"Pete" Chapin leased the Dick Young service station at Main and Vernon Streets.

At a meeting of the Oxford County Teachers' Association, Supt. Donald M. Christie of Bethel was elected a delegate to the NEA Convention.

Death—Philip J. Mulligan.

## 20 YEARS AGO

Mr. and Mrs. Frank Sprague, who had lived in Bethel and Newry several years, purchased a bus for their return trip to the West. The family group of 15 included a son-in-law and a daughter-in-law.

Joseph Barber of Auburn leased the large barn and field of Clarence Bennett at West Bethel, planning to conduct a sales stable and riding school.

Deaths: Miss Cora M. Bean, Mrs. Alice C. Walker.

## 30 YEARS AGO

Mr. and Mrs. James H. Swan celebrated their 50th wedding anniversary at their East Bethel home. Dinner was served to 97 relatives and friends.

L. E. Davis purchased 450 acres of timberland of Rufus Virgin in the vicinity of Chandler Hill.

Deaths: Mrs. Emma Mason McLeod, Mrs. Emma Bragg, Mrs. Mable Rowe.

## 40 YEARS AGO

Mrs. William Bryant shot an eight-point buck on the first day of the hunting season.

Sgt. Elwin Wilson was speaker at the Sunday service of the Bethel Methodist Church.

Sgt. Winfield Howe arrived home at Bethel. He was one of the last boys to be returned home from Europe.

270,000 cans of corn were packed at the Bryant Pond shop in charge of Ned I. Swan.

## CHANTICLEERS TO APPEAR IN RUMFORD ON OCT. 12

The Chanticleers, best-loved and liveliest of American concert quartets will be the first attraction, in the current 1959-60 series of the Rumford Community Concert Association. The famed vocal group is now in its seventh season of existence and making its fourth consecutive nationwide tour. It will be at Abbott auditorium in Rumford's Stephen High School on Oct. 12 at 8:15 p. m.

The Chanticleers are William Ward, Richard Wright, Raymond Keat and James Martin; soprano, tenor, baritone and bass, respectively. Two unusual features of their programs have occasioned a great deal of comment: the mobile and imaginative staging of Gene Baylies; the brilliant arrangements and musical direction of Donald Smith.

Ringing great vocal music of many kinds and presenting it in a way which has been called "theatre, in its finest sense."
